2018 WRITTEN PREMIUM DATA CALL DUE JUNE 1, 2019

Complete and return the enclosed Member Company Report for 2018 written premiums as reported to the Missouri Department of Insurance. The report will be used to determine your participation in the premiums, losses and expenses of the Missouri Property Insurance Placement Facility for policy year 2020. Participation is based on 100% for Fire premiums, 100% Extended Coverage (or 93% of Combined Extended Coverage and Broad and Special Form, if inseparable) for Dwelling, 65% of Homeowners premiums and 100% of Commercial Multi-Peril (non-liability) premiums. Include Farm business in your Commercial business. Include dwelling sinkhole loss coverage.

In determining total Multi-Peril Premium a company may delete automobile premiums included in commercial package policies, if these premiums can be properly isolated by the company. Detail all deductions to your company's written premiums in your reconciliation, i.e. automobile, glass, crop and 7% of combined Habitational E.C. and Broad and Special Form.

IF YOUR COMPANY HAD NO WRITTEN PREMIUM PLEASE WRITE NONE ON THE TOTAL LINES AND RETURN THE REPORT ALONG WITH A COPY OF MISSOURI STATUTORY STATE PAGE. **NO SUBSTITUTES!**

Reports must be submitted on an individual company basis. Do not report on a group basis. Your report must be returned by **June 1, 2019.**

Your company's participation for policy year 2019 and our financial statements are on the PIPSO website (www.pipso.com). The user name is *pipsodata* and the password is *bost27ma*. Please notify the appropriate end-user. Our quarterly financials are posted on the website by the end of the month following each calendar quarter.

Sincerely,
